7/ Procedure details:

Why we need this strictly procedure:

Due to many frauds we need to change strictly our procedure and rules to protect our credibility and Client's.
 If the Buyer or Representative cannot accept this procedure, properly it means he is not a real buyer.

Please note: Our Clients have to sign MOU. If the Buyer not continue within 1 week to close the deal, a consulting fee of 500 USD has to be payed as a penalty. Furthermore, we will not connect genius seller's and buyer's, until both company registration has not been verified.
